OUR STORY

Celebrating
40 YEARS
of Cooling Experience
with **ACSON**.

Acson Malaysia is a home-grown air conditioning company that has been established since 1984. It is a subsidiary of Daikin Malaysia Sdn Bhd (Previously known as O.Y.L. Manufacturing Company Sdn. Bhd). Acson continuously providing ultimate cooling experience and home appliances to Malaysians since its incorporation in air conditioning industry.

We offer services such as cooling solutions for public, private & government sectors, and products in air conditioning system such as drainage pumps, air curtain, control system and duct accessories.

Customers' needs and satisfaction is our main priority. We strive to achieve it by ensuring pleasant services reach out to our customers' demands. This is the mission of Acson and it remains as we grow further. As to beyond the boundaries, we even focus on delivering healthier lifestyles and happiest moments to our customers without causing any harm to the environment.

OUR VALUES

Acson family is passionate about group enlargement. Our diverse talents are pooled together as a creative resource centre where new ideas are transformed into successful creations and where every new decision is made mutually benefit to the Group, our employees and our customers whom we live to serve.

Our concern in quality of work & research development well reflected in every household & place that we service. This is what we valued the most
- Service above self. This is what Acson has been all about for over three decades.

**Enterprising
Management**

**Absolute
Credibility**

**Harmonious
Personal
Relations**

Our Core Values:

- Create new value by anticipating the future needs of customers
- Contribute to society with world leading technologies
- Realize future dreams by maximizing corporate value
- Think and act globally
- Be a flexible and dynamic group
- Be a company that leads in applying environmentally friendly practices
- With our relationship with society in mind, take action and earn society's trust
- The pride and enthusiasm of each employee are the driving forces of our group
- Be recognized worldwide by optimally managing the organization and its human resources, under our fast and flat management system
- An atmosphere of freedom, boldness, and "Best Practice, Our Way"
